Dear Paul,

I am enclosing a record sheet on a Byard James Price who should be placed on our files.

Mr. Price was brought to my attention by the Utah State Highway Patrol from a background check they were doing on Price and noted that he was involved in scouting in 1981 when he was convicted for forcibly sexually abusing his [REDACTED]. I was told that his wife divorced him at that time. He remarried and was divorced two week later after he beat his new wife.

Mr. Price is not shown as having scouting involvement at the present time and possibly has not since his conviction in 1981.

Sincerely,

K. Hart Bullock
Scout Executive
